## Wide Range of Social Events

## Part of Monaco Life

## What is BAM?

BAM provides a focus for British and Commonwealth citizens residing in Monaco and the surrounding areas to meet socially, represent their views in the Principality, and to provide a welfare service for those in need. BAM is very active in the community strengthening its relationships with other Monegasque associations.

### Social Events

The BAM social calendar is packed with events for all the family throughout the year. Our organized events will appeal to all from Gala dinners, children's parties, beach parties and informative talks. You can join us every 2nd and 4th Thursday each month for our Happy Hour or drop in to our Friday Friendship Club every 1st and 3rd Friday in each month.

### Community Support

Behind the scenes, BAM provides a voluntary community service for those in need. Donations and funds raised at events are used specifically for this service, and help provide essential pastoral and practical support. We also have a dedicated team that can arrange one-off or regular home visits if required. They also ensure BAM funds are distributed prudently and assist applicants to liaise with the relevant local social services.
