KERMESSE 2017

The annual Kermesse will be on Saturday 2nd December in the Chapiteau in Fontvieille. BAM will again be participating in this annual event and we already have a team ready for selling our Christmas fare on the day. We will have a selection of Christmas puddings, Christmas cakes, tins of shortbread and mince pies and Christmas crackers and other Christmas related products. Some members have been very kind in donating their homemade lemon curd and

jams for the stand.

We still need more donations and if anyone has any homemade cakes or jars of produce, we would be delighted to have them. If you are visiting the UK in the next few weeks we would be very grateful if you could bring back any seasonal items we can sell, we can arrange for collection nearer the date. Christmas cards will also be on the stand.
